

Dear Friends of *The Christian Worldview*,

Listener Feedback

"Excellent shows, especially the two recent programs on social justice and climate change. So many Christians are getting caught up in this without realizing it is against God's Word and is moving the church in a worldly and liberal direction. Keep up the good work!"
~ Susan

"I listen to your radio show every Saturday and so appreciate hearing God's unvarnished, unapologetic biblical truth presented every week. Thank you for not dumbing down the living Word but presenting it without compromise and with strong, loving biblical application to our daily lives."
~ Sandy

This is the 15th year of *The Christian Worldview Radio Program*. I started in radio 17 years ago hosting a program called *Beyond Sports*, but after attending a radio conference in Washington DC and hearing all the political and social changes taking place, I came home with a desire to focus on issues that were, well, beyond sports.

That ember was already inside me waiting to be fanned. As a boy, I remember my mother saying, "Read the Bible in one hand and the newspaper in the other."

She wasn't saying that the newspaper held equal authority to the Bible, but rather that the events of life must be understood through the truth of Scripture. She and my dad were already encouraging me to have a biblical worldview before I even knew what the term meant!

Over the many decades since they impressed that upon me, I have come to realize how unusual a biblical worldview is, even for professing Christians. You have probably heard about the Barna Group's survey that found that only 19% of "born again Christians" have a biblical worldview.

If foundational truths of God's Word aren't believed by the vast majority of professing Christians, how are they going to understand the host of other issues being thrust at them in a fast-changing society where every last bit of biblical truth is being challenged on a daily basis? How are they going to help the younger generation fend off the following lies?

- That God doesn't exist and the Bible is irrelevant
- Jesus isn't the only way and you're a bigot to say He is
- Marriage is whatever you want it to be
- One can change their gender
- America and Christians are oppressors
- Social justice is the purpose of Christianity

These and the many topics that we cover each week on the radio program need to be understood through the truth lens of Scripture so we can *think biblically and live accordingly*.

TCW GOLF & DINNER EVENT 2020

Please save **Monday, September 21, 2020** at Woodhill Country Club in Wayzata, MN. Registration opens Spring 2020.

Which brings me to something else my parents modeled for me—proclaiming the gospel to the unsaved.

When you've been given the most valuable piece of information for free—that you can be forgiven of your sins, made right with God, and spend eternity with Him in heaven if you repent and place your faith in the person and work of Jesus Christ—why wouldn't you want to share that good news with someone who desperately needs it as much you did?

In almost every program, we try to make the gospel clear because it is the most important news...and the starting point to developing a biblical worldview.

Here is a sampling of topics we covered this year:

- How Socialism Is Impacting the Country and the Church
- God, Greed, and The Prosperity Gospel
- Processing Why Josh Harris Kissed His Wife and Jesus Good-Bye
- How Woodstock 50 Years Ago Explains Where We Are Today
- Should Female Preachers "Go Home"?
- How Your Theology Determines Your Morality

We added some new elements to the ministry this year. *The Christian Worldview Speaker Series* are single-session events that feature a compelling speaker presenting on a cutting-edge topic followed by Q and A. We held one this past spring on socialism with Curtis Bowers, producer of the *AGENDA* films, and then a second in September on social justice with Darrell Harrison. We encourage you to watch both on our website.

We also launched *TCW Short Takes*. These are bite-size audio clips of the most recent broadcast—perfect for those who aren't able to listen to the whole program. Lastly, the program is now available on OnePlace.com for listeners who already use their app, Amazon Alexa, or Google play.

If you are able to support our mission with a tax-deductible donation, we would be most grateful. If not, please just listen to the program, tell others about it, and pray that we would be faithful to God and His Word. May you and yours have a Christmas centered on Jesus Christ, the only hope for the world and the church.
