

Listener Feedback

"I felt compelled to send you a short note of encouragement for all you do to share Biblical Truth in the context of current world events. There is, and will always be, a faithful remnant that holds fast to the truth of Scripture so we just stand firm. Keep up the great work."

~ Cecil

"I am truly blessed to hear and study under your sharing of both the gospel message and the TRUTH of current events (for such a time as this). Thank you for keeping so many informed of truth when we hear so many lies from mainstream media. The truth you speak resonates so much with my spirit, sometimes I hang on every word and can't write quick enough to capture the many truths you speak."

~ Diane

Dear Friends of The Christian Worldview,

"Misinformation" and "disinformation" are often used interchangeably but there's an important distinction between them. Misinformation is simply getting the facts wrong while disinformation is intentionally asserting wrong facts to achieve a certain objective. In other words, disinformation is purposeful deception.

While misinformation and disinformation are nothing new, have you noticed how disinformation has greatly increased in the last year or two? Take COVID-19 for example. The government, medical organizations, and mainstream media relentlessly ratchet up fear of the virus with their only solution being the COVID injection and boosters.

Little to nothing is mentioned about the high number of adverse reactions and deaths from the so-called vaccines, the moderate level of protection they provide, the low risk of fatality the virus poses to most people, the high degree of immunity for those who have overcome the virus, and early treatment medications like Ivermectin that have helped many.

Racism is another favored issue of disinformation. When George Floyd, a black man, died after being pinned under the knee of white police officer Derek Chauvin, the immediate and ongoing charge is "racism"—racism from the officer (no evidence of racist motive was presented in criminal trial), the police in general, and every corner of society. America is slandered to be "systemically racist".

The police must be defunded, criminals must not be prosecuted, and Critical Race Theory (i.e. racism toward whites) must be enforced. The lies seemingly have no end—the earth will be unlivable soon due to human-caused climate change, people can change their gender, men can give birth, and printing trillions of dollars will save the economy.

It's all disinformation — intentionally spreading lies to achieve an objective. What's the objective? For government to gain total control in order to transition the world to global governance.

When you shake your head in disbelief at the foolish decisions made by leaders, ask yourself this question—"Will the decisions they make result in government gaining power?" Invariably the

answer is “yes”. The more chaotic society becomes, the more the nuclear family fractures, the more government will be needed and demanded. That is the goal.

The great irony of this Disinformation Age is that it is leading directly to the destination God tells us about in the final book of the Bible! Revelation 13 describes how the world will be led by a global political leader called “the beast” while a global religious leader called “the false prophet” aids him. They will head a system where everything is under their control. Yet just when all seems hopeless, Jesus Christ will return to crush them and begin His reign on earth!

The following is from Revelation 19:
“I saw heaven standing open and there before me was a white horse, whose rider is called Faithful and True...He is dressed in a robe dipped in blood, and his name is the Word of God. The armies of heaven were following him...Coming out of his mouth is a sharp sword with which to strike down the nations...On his robe and on his thigh he has this name written: KING OF KINGS AND LORD OF LORDS.

Then I saw the beast and the kings of the earth and their armies gathered together to wage war against the rider on the horse and his army. But the beast was captured, and with it the false prophet who had performed the signs on its behalf. With these signs he had deluded those who had received the mark of the beast and worshiped its image. The two of them were thrown alive into the fiery lake of burning sulfur.”

Friend, the disinformation today is intended to delude the world that man can create a global utopia without God. That failed at the city of Babel in Genesis 11 and will fail again. But that won’t keep the God-rejecting from trying.

- So here is our mission with The Christian Worldview Radio Program:
- To sharpen the Biblical worldview of Christians, so they can better discern disinformation and stand firm on the truth of God’s word.
 - To proclaim the good news of Jesus Christ, so those being deceived can hear and receive the only message that can save them.

Every topic, we aim to expose what is false—inside and outside the church—and exhort the truth based on the Word of God. The light of Scripture is the only thing that dispels the darkness of disinformation. God is bringing history to His intended conclusion and Christians are to be His faithful witnesses on the way there.

Thank you for considering being a supporter of The Christian Worldview. Whether you become a Monthly Partner, make a donation, or order resources in the attached guide, you are helping us reach hearts and minds with the truth of Scripture and the gospel.

Wishing you and yours a Christmas honoring the King of kings and Lord of lords!

A Special Thank You to our National Sponsor: Samaritan Ministries

A Biblical solution to health care

“Samaritan Ministries is real, it’s viable, it’s working, and it’s there.”

— Jamie, member since 1996

SamaritanMinistries.org/TCW · 877.691.1625

My wife and I first learned about Samaritan Ministries when the so-called Affordable Care Act led to a nearly doubling of our health insurance premium. And then, the provider canceled our plan!

We had heard about Christian medical sharing and decided to look into Samaritan Ministries, which is a community of Christians sharing each other’s medical bills. We have been Samaritan members for many years now, through several health needs, and couldn’t be more pleased!
