

## ANNUAL NEWSLETTER - 2023

Dear Friends of The Christian Worldview,

We are living in what the Bible calls “difficult times”. While sin around us (and especially in us) should grieve the believer, we shouldn’t be shocked at a world in rebellion against God and a church in compromise.

Read what the apostle Paul told the younger pastor Timothy to “**realize**” back in the first century:

“But **realize** this, that in the last days difficult times will come. For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, treacherous, reckless, conceited, lovers of pleasure rather than lovers of God, holding to a form of godliness, although they have denied its power; Avoid such men as these” (2 Timothy 3:1-5).

We are centuries further in the “last days” but the sin and corruption it causes are the same. Fundamentally, unregenerate mankind loves to please self rather than love and worship God. This explains why all that God has established is relentlessly twisted: marriage and sexuality are whatever one desires, gender is a personal choice, pre-born children are expendable, Biblical truth is hate.

Likewise, the institutions of our society—government, education, business, media, entertainment—are given over to this God-rejection, advocating for what offends God and harms people. This explains why destructive decisions are pursued with regard to the economy, immigration, welfare, health care, crime and justice, and more.

**The world is running fast and furious away from God in order to create what it believes will be a global utopia without God. God is allowing this as the lead-up to the return of His Son Jesus Christ, who will rapture believers, judge non-believers, save the Jews and Israel, and reign on earth for 1000 years. This is a “pre-millennial” understanding of Biblical prophecy, which we discussed recently on the program (Dec. 2 and 9).**

The one institution that God established to be the light in a dark world is the church. Just as we find in Scripture that many churches in the first century quickly departed into compromise, so it is today. Too many pastors are concerned with being palatable to sinful culture rather than faithfully preaching the Word of God.

So, yes, “**realize this, that in the last days difficult times will come**”. But also know that God reigns over all and is bringing to pass all things for His glory. He will keep His promises. He will be victorious! And here is what He commands us to be and do in these difficult times:

## Thank You for Helping Us Reach New Listeners!

*The Christian Worldview Radio Program* underwent a significant expansion over the last year, launching on Salem Media stations in Los Angeles, Washington, DC, Atlanta, Denver, and Phoenix, as well as the Life Changing Radio Network covering Boston and all states in the Northeast.

Since that time we have heard from many new listeners on these stations. Maricela P. recently sent us an encouraging note to say, **"I really enjoy your program and look forward to listening every Saturday morning. Your program is a wonderful addition to KKLA. May God continue to richly bless you."**

It often takes a few years to build enough listener support on a new station to cover our cost of airtime, so we appreciate your ongoing prayer and donations.

# **"Be on the alert, stand firm in the faith, act like men, be strong. Let all that you do be done in love."**

...continued from page 1

## **1 Corinthians 16:13-14**

**"Be on the alert"** means Christians must pay attention to what is taking place in the world and the church, discerning all of it through the grid of Scripture. Whether it's examining *The Chosen* television series (Sept. 23 program), Israel and the Middle East (Nov. 11), or efforts to upend Biblical roles in the church and home (June 3), to name just a few, Christians must be on the alert.

Christians must also **"stand firm in the faith"**. This means that what God has revealed in Scripture is our final authority for thinking and living. We must accurately interpret Scripture and not move an inch from it.

We must **"act like men"** rather than children, who are susceptible to being deceived, distracted, and overpowered. **"Be strong"** means we are empowered by the Holy Spirit and God's Word to stand firm, to speak up, and live for Christ, fearing only God and not men.

And finally, **"let all that you do be done in love"**. This means we seek God's best for others—that sinners be saved, that believers be sanctified, that the hurting are helped in Christ's name—rather than reacting in pride ("we're right, you're wrong") or disgust toward the God-rejecting.

We strive to obey 1 Corinthians 16:13-14 each week on *The Christian Worldview Radio Program* and in all our ministry-related activities, such as in-person events and selection of resources for listeners. This starts in our own hearts as we seek to draw near to God, lead our families, engage in our local church, work for the glory of God, and pray for and take opportunities to explain the gospel and disciple others, all the while standing firm looking for Christ's return.

Every Christian can be a useful ambassador for Christ right where they are, without writing a book, being a pastor, and dare I say, hosting a radio program!

The past year has been busy and fruitful for *The Christian Worldview*. The Lord opened doors for the program to expand to many new stations where new listeners can be impacted with our mission. We held a TCW Speaker Series event in May with Alex Newman on *The Great Reset* and a TCW Movie Night in September to show *The Essential Church*.

We couldn't do all this without a dedicated leadership board, staff, and volunteers. A sincere thank you to all of them.

And thank you for your faithful support of this radio ministry. Whether you listen, pray, encourage, give, or purchase resources from the attached catalog or our website, we are grateful to God for the opportunity He has given us "to sharpen the Biblical worldview of Christians and to proclaim the gospel of Jesus Christ."

May you and your loved ones have a blessed Christmas as you praise God for sending His Son and Savior to us.

*David*

David, host, *The Christian Worldview*

**"Every Christian can be an effective ambassador for Christ right where they are, without writing a book, being a pastor, and dare I say, hosting a radio program!"**

## Program Host: David Wheaton

Since 2004, David has been host of *The Christian Worldview*. He is also the author of *University of Destruction—Your Game Plan for Spiritual Victory on Campus* and *My Boy, Ben—A Story of Love, Loss, and Grace*.

Formerly, David competed on the professional tennis tour for 13 years, during which time the most important turning point of his life took place when he trusted in Jesus Christ as his Savior and Lord.

Born, raised, and still residing in Minnesota, David is married to his lifelong best friend, Brodie, and they are the parents of one son. They work together on *The Christian Worldview*, operate two short-term vacation rental properties, and are engaged in their church.

## NEW Database and Webstore

Since April of this year we have been involved in a major behind-the-scenes change at *The Christian Worldview* - a new database and webstore!

This project required a great deal of work and training through the summer and fall. Then, on November 10, we launched this new customer database with Donor Direct. This software is a good fit for us because of Donor Direct's experience with radio ministry. They understand the industry and some of the things that are unique to how we operate.

We would like to thank our contacts at Donor Direct: Damien Parks, Rich Lodi and Taylor Sequin. They have been very thorough and helpful during this onboarding process.

Please be patient with us as we work out all the details of this new system. There are always unexpected things to address but we are excited for a more productive and listener-friendly 2024!

**Please note: If you have created an account in our old system, you will need to re-create an account in this new system. Once you do, you will be able to manage your personal information, giving, and year-end statements.**

If you have any difficulty with the website, please contact us via [Support@TheChristianWorldview](mailto:Support@TheChristianWorldview) or call Rosie at 888-646-2233.

**AND WE KNOW THAT THE SON OF  
GOD HAS COME AND HAS GIVEN US  
UNDERSTANDING, SO THAT WE MAY  
KNOW HIM WHO IS TRUE; AND WE ARE  
IN HIM WHO IS TRUE, IN HIS SON JESUS  
CHRIST. HE IS THE TRUE GOD AND  
ETERNAL LIFE. 1 JOHN 5:20**

## Meet TCW Staff

Brodie is the lead administrator of *The Christian Worldview*, which includes financial, resource, and website management.

Previously, Brodie worked for nearly 15 years as a medical office manager. She is married to host David Wheaton and loves being a mom to their son.

Kelly joined TCW in May of this year as an admin assistant, helping with inventory, database, and employee management.

She and her husband have two sons and enjoy leading and serving in various roles at their church including facilitating a Biblical Worldview ministry.

Alicia coordinates our resource fulfillment. When you place an order, she is the one who packs and ships it.

She worked for 20 years as a paraprofessional in public education and now uses her gifts at a local private school.

Rich does audio editing while Rosie is the friendly voice who answers your phone calls to the ministry.

Rich spent his career in construction and as a mechanical draftsman. He enjoys artistic hobbies, including photography.

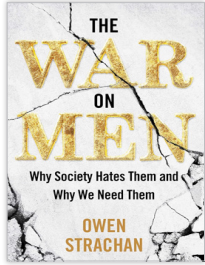

Rosie was an RN at a VA hospital and was well-loved for her advocacy for our veterans. Rich and Rosie have one daughter and two grandchildren and are active in their local church.

A special thank you as well to Ben Bryggman of Ambassador, who does a great job doing the final audio production each week for the program. Thanks also to Charley Mefferd and Ambassador for the distribution of the program to affiliates.
