Agape Christi Academy (MN) - 6500 Baker Rd., Eden Prairie, MN

Year Founded: 2013 Grades Offered: Pre-K-12

www.agapechristi.com E-mail: info@agapechristi.com

Our Philosophy of Education at Agape Christi answers the question, "What is education for?" We believe that man's chief end is to glorify God and enjoy Him forever. Furthermore, we believe that classical, Christian education is an important means to this end. As we as individuals glorify and enjoy God, the world around us is transformed. To express this philosophy in a threefold manner, we believe education is a gift from our Triune God that He uses to glorify man, so that man can in return glorify God and the world.

Students, because of faith, have eyes that are wide open. They can see what is true and what is not; what is good and what is not; what is beautiful and what is not. Their eyes are open. Their minds are sharp. They are prepared for life.

We teach all subjects as parts of an integrated whole with Scripture at the center. [II Timothy 3:16-17; Colossians 1:15-20]. There is no such thing as neutrality in education. To be Christ centered, Christian education must mean more than simply adding prayer and Bible class to secular education. Secular education places man at the center of all things. Christian education places Christ at the center of all things.
